Emerging concepts in gynecological practice

Dear Friends,

It is with great pleasure we welcome you to the **XIth MAATRIKA!**

By the grace of God and the consistent, relentless support of our Members, today we celebrate academics with our XIth Annual Conference: **MAATRIKA 2019 'A Journey Through Pregnancy & Beyond!'** to be held on and **23rd & 24th November 2019** at **Hotel Taj Deccan** organised by **Indian Society of Perinatology and Reproductive Biology ISOPARB, Hyderabad Chapter.**

This year's theme of the Conference is **'Emerging concepts in gynecological practice'**. Elevate your practice with emerging scientific evidence, concepts & latest guidelines.

On 23rd November 2019 (Saturday) the programme begins with a station based workshop on **'Challenges in gynae practice and practical solutions'**. The stations will provide one to one interaction with our experts. The Workshop is followed by **Keynote by Dr. P.G. Paul on 'Mullerian abnormalities', followed by 'Adnexal masses through ages' by Dr Savitha Devi Moderating a Panel.**

On 24th November 2019 (Sunday), we have the prestigious **"Dr. Suvarna Ramaswamy Oration"** by **Dr. Pratap Kumar on "Infertility"**. Enjoy a cutting edge scientific programme, with contributions from the specialists, hear from renowned speakers and network with your friends & colleagues. We take pride in welcoming all the experts and delegates to witness the academic extravaganza in Hyderabad, the city of Nawabs.
